

IAMGOLD PUBLISHES 2024 ANNUAL SUSTAINABILITY REPORT

Toronto, Ontario, May 6, 2025 – IAMGOLD Corporation (NYSE:IAG) (TSX:IMG) (“IAMGOLD” or the “Company”) is pleased to announce that it has published its 2024 Sustainability Report (the "Report") and companion documents highlighting the Company's progress and achievements across a range of Environmental, Social and Governance ("ESG") practices.

“Sustainability is at the core of our business practices — guiding our efforts to operate responsibly, support host communities, mitigate our impact on the environment, and act with integrity,” said Renaud Adams, President and CEO of IAMGOLD. “The release of our 2024 Sustainability Report reflects our continued commitment to transparency and accountability. It highlights our successes, challenges and the actions we are taking to continue to uphold responsible mining practices.”

“On behalf of the Board and leadership team, I extend our sincere gratitude to our employees, communities and all stakeholders for their vital role in advancing our sustainability journey. Together, we are building a more sustainable, forward-thinking, and inclusive future.”

The Report draws upon various ESG frameworks and standards and internationally recognized methodologies such as the Global Reporting Initiative (“GRI”) and Sustainability Accounting Standards Board (“SASB”). The Report and companion 2024 ESG Performance Data can be viewed and is available for download from the Company's website at www.iamgold.com.
