

# Regions Bank named a Great Place to Work company for 2019

Jan 14, 2020

BIRMINGHAM, Ala.--(BUSINESS WIRE)-- [Regions Bank](#) is pleased to announce it has earned the Great Place to Work-Certified™ Company designation for 2019.

Great Place to Work is an organization that analyzes workplace culture, employee experience and leadership behaviors; it facilitated a workplace trust index survey given to a random sample of associates from across the bank. Those survey results, combined with information about Regions' company and culture, helped determine certification.

“We are pleased to be certified by Great Place to Work,” said John Turner, Regions President and CEO. “These results affirm that our strategic priority to build the best team is making life better for associates and enabling us to recruit and develop top talent to serve our customers and communities. The associate experience is an important part of our building an inclusive culture where we can all succeed.”

At least seven out of 10 associates surveyed rated Regions a great place to work and agreed that:

- When joining the company, you are made to feel welcome
- They can take time off from work when they think it's necessary
- They're proud to tell others they work here
- Regions associates are given a lot of responsibility
- They feel a sense of pride when looking at what Regions accomplishes

“Organizations that earn their employees' trust create great workplace cultures that deliver outstanding business results,” said Sarah Lewis-Kulin, Vice President of Best Workplace List Research at Great Place to Work.
