Many people resolve to improve their physical health in the New Year. Regions branches are also encouraging people to improve their financial health by coming in for a checkup and taking steps to save more, spend smarter and manage credit wisely. (Photo: Business Wire)

talks about how the pandemic shaped the outlook for businesses in 2021 and how companies can actively position themselves for resilience and strength in the future. Upcoming episodes will cover what companies need to know to thrive and grow in a post-COVID world.

“As our commercial bankers support clients in navigating the various business cycles, we hope the Commercial Insights podcast series helps business leaders stay on top of their financial needs and goals for growth,” said Willman. “At the same time, our team is here to offer one-on-one guidance for individual companies’ needs.”

Future Commercial Insights with Regions Bank podcast episodes will cover supply chain strategies, hybrid work models, fraud management, and even decision fatigue.

The podcasts complement Regions’ existing [Wealth Management podcast series](#). The Wealth podcasts feature discussions from experienced Regions Wealth Management professionals on topics including personal finance, retirement strategies, managing investments, and business expansion.

All podcasts are available on via [Apple](#), [Spotify](#), [Google](#), [Stitcher](#), and [Pocketcast](#) platforms. The Commercial Banking podcasts can also be accessed through the [Commercial Insights section, linked here](#), on Regions.com.

“At Regions Bank, we have a wealth of experience in helping businesses of all sizes reach their short-term and long-term goals. This podcast series is the latest example of our focus on delivering superior service and well-informed perspectives in a way that’s convenient not only for our clients, but also for any business that wants important context on economic conditions and financial solutions,” said Brian Willman, head of Commercial Banking for Regions. “This series builds on Regions’ thought leadership delivered through our [Commercial Insights](#) section on [Regions.com](#) and the [Commercial Insights magazine](#). Now, those quality insights on topics impacting today’s business leaders are available through easy-to-access, on-the-go streaming channels – and anyone can download them.”

Commercial Insights with Regions Bank will feature experienced commercial business advisors discussing innovative strategies business owners and C-suite leaders can consider as they work to position their organization for the road ahead. The podcast series was created with lessons learned from the economic challenges of the last year – with smart strategies for the future in mind.

The inaugural episode, “Preparing Your Business for a Post-COVID World,”
