engaging with customers, and career development.

The Next Step Podcast complements Regions' [Wealth Management podcast series](#), which features experienced Regions Private Wealth Management professionals addressing topics including personal finance, retirement strategies, investments, and business expansion. Further, Regions' [Commercial Banking podcast series](#) features timely business information and strategies from Regions professionals who serve a wide range of companies, large and small.

In addition to streaming platforms, people can access the Next Step Podcast collection any time by visiting [Regions.com/NextStepPodcasts](https://www.regions.com/NextStepPodcasts). The insights are delivered at no cost to the consumer – just like all of Regions' financial education content. Also, the podcasts are available to everyone, regardless of whether the listener has an account with Regions.

“Regions' commitment to meeting people's holistic financial needs means we're not only offering convenient digital banking tools and modern branch locations; we are also putting helpful money-management information directly in the hands of consumers,” Hehn concluded. “The Next Step Podcasts are the latest reflection of this commitment, and we know consumers will benefit as we reach more people with insights on building savings, managing expenses, and reaching long-term goals.”
