Regions Bank and the nonprofit Regions Foundation stand in support of communities recovering from Ian's impacts.

FORT MYERS, Fla.--(BUSINESS WIRE)-- [Regions Bank](#) on Tuesday announced a series of financial services to help people and businesses impacted by Hurricane Ian. In addition, the Regions Foundation, a nonprofit initiative funded primarily by Regions Bank, announced a commitment of \$225,000 in grant funding for organizations providing disaster relief.

“As soon as the storm cleared, nonprofits and relief organizations were on-site delivering emergency resources to hard-hit communities. We are honored to support their important work,” said Marta Mendes-Miguel Self, executive director of the Regions Foundation. “We also encourage people and businesses who are in a position to donate to consider how they can join us in supporting agencies that are on the front lines of hurricane response.”

arrangements with Regions to resolve the delinquency.

⁴New business loan and personal unsecured loan rate discounts may not be combined with other special offers or discounts. Interest will accrue during the optional 90-day payment deferral period for unsecured business loans if elected.
