For the annual rankings, JUST Capital collects and analyzes corporate data evaluating the 1,000 largest public U.S. companies across 20 categories. (Graphic: Business Wire)

Nix. "That north star guides us every day and ensures we are making life better and creating shared value for all of our stakeholders. We are proud that JUST Capital and CNBC recognize our commitment, and we are pleased to share this great news."

For the annual rankings, JUST Capital collects and analyzes corporate data evaluating the 1,000 largest public U.S. companies across 20 categories identified through comprehensive, ongoing public opinion research on Americans' attitudes toward responsible corporate behavior. JUST Capital has engaged more than 160,000 participants, on a fully representative basis, since 2015.

"There has never been a more important time for businesses to step up, do right by their workers, and restore trust in capitalism and the American Dream," said JUST Capital CEO Martin Whittaker. "This year's JUST 100 leaders demonstrate that just business truly is better business."

Being recognized as one of America's Most JUST Companies reflects Regions' strategic commitment to deliver shared value to stakeholders. More information about that commitment, including current reports and disclosures, can be found [at this link](#).
