

CINEVERSE CORP.

CHARTER OF THE NOMINATING COMMITTEE OF THE BOARD OF DIRECTORS

Purpose

Acting pursuant to Section 141(c)(2) of the Delaware General Corporation Law and Section 2.7 of the By-laws of Cineverse Corp. (the “Company”), the Board of Directors of the Company (the “Board”) has established a Nominating Committee (the “Committee”) for the purpose of selecting, evaluating and recommending to the Board qualified candidates for election or appointment to the Board.

Membership

The Committee will consist of a minimum of two members of the Board, all of whom shall be “independent directors” under the standards set forth in the rules and regulations of the NASDAQ Stock Market (or such other securities exchange or market where the Company’s securities are primarily listed), as well as under any additional or supplemental independence standards applicable to nominating committees established under any applicable law, rule or regulation. The members of the Committee will be appointed by and serve at the discretion of the Board. Unless a Chairman of the Committee is elected by the Board, the members of the Committee may designate a Chairman.

Responsibilities

The following shall be the principal recurring duties of the Committee in carrying out its responsibilities. These duties are set forth as a guide with the understanding that the Committee may supplement them as appropriate and may establish policies and procedures from time to time that it deems necessary or advisable in fulfilling its responsibilities under this Charter, the Company’s By-laws and governing law. The responsibilities of the Committee shall include (1) annually presenting to the Board a list of individuals recommended for nomination for election to the Board at the annual meeting of stockholders and (2) assisting the Board in identifying, interviewing and recruiting candidates for the Board.

The Committee may establish (i) a policy for the consideration of any director candidates recommended by stockholders, including a statement that the Committee will consider director nominations recommended by stockholders, (ii) procedures to be followed by stockholders in submitting recommendations for director nominees and (iii) a process for identifying and evaluating nominees.

In carrying out such responsibilities, the Committee shall have the power and authority to retain such consultants, outside counsel and other advisors as the Committee may deem appropriate and shall have the sole authority to approve the fees and other terms of such engagements.

Director Qualification Guidelines

The Committee believes that it is in the best interest of the Company and its stockholders to identify and select highly-qualified candidates to serve as directors. The Committee will seek

candidates for election and appointment who possess the skills and characteristics listed on Annex A hereto and who are committed to staunchly representing the interests of the stockholders. The Committee will employ the process described on Annex B hereto to identify such candidates. The Committee also believes that the Board should be comprised of a group of individuals who have been associated with institutions noted for excellence and who have broad experience and the ability to exercise sound business judgment.

Once the Committee identifies a candidate and determines to approach such candidate, it shall provide such candidate with background information regarding the Company, consisting of the Company's most recent 10-K and 10-Q filings, any readily available marketing information and any other materials which the Committee deems appropriate.

Directors are expected to attend the annual meeting of shareholders and all or substantially all of the Board meetings and meetings of committees on which they serve in person, and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities. If a director consistently fails to attend Board meetings in person, the Chairman of the Board will promptly contact the director to discuss the problem. The director's response will promptly be shared by the Chairman with the entire Board at the next Board meeting. In that meeting, the Board will decide what actions to take regarding the director's future membership on the Board.

Meetings and Reports

The Committee will hold a regular meeting at least once each year generally in conjunction with regularly scheduled meetings of the Board, and such special meetings as the Chairman of the Committee or the Chairman of the Board may direct. The Committee will maintain written minutes of its meetings, which minutes will be filed with the minutes of the meetings of the Board. The Committee will make regular reports to the Board.
