LOS ANGELES, Nov. 26, 2024 /PRNewswire/ -- **Cineverse Corp.** (NASDAQ: CNVS), an innovative streaming technology and entertainment company, today announced ART ATTACK! The Dissection of Terrifier 3, a behind-the-scenes film that gives fans an exclusive look into the making of Terrifier 3, in theaters now. "The team is honored to be working with Cineverse again, and in particular showcasing the tremendous work of Damien Leone and his team to bring the iconic character Art the Clown back on the big screen in Terrifier 3," said Smart at Cult Screenings UK.
