Cineverse Adds Three Industry Veterans to Accelerate Feature Film Acquisitions and Releasing Business

2025-07-15

New Cineverse Motion Pictures Group Brings Key Talent on Board: Steven Peros as VP, Creative Development and Filmmaker Relations; Dan Fisher as VP, Acquisitions; and Cameron Moore as Consultant, Theatrical Distribution

LOS ANGELES, July 15, 2025 /PRNewswire/ -- **Cineverse** (Nasdaq: CNVS), a next-generation entertainment studio, has announced today the addition of three development, acquisitions and distributions experts to the **recently-formed Cineverse Motion Pictures Group** led by Chief Motion Pictures Officer Yolanda Macias.

Effective immediately:

Steven Peros is vice president, creative development and filmmaker relations, responsible for both leading development and overseeing physical production, serving as a key connector between the creative community and internal business stakeholders. Peros started in development at New Line Cinema and was the William Morris Agency's top story analyst before becoming a screenwriter, director, producer, playwright, published film historian and graphic novel author, including projects with Disney, Lifetime, Lionsgate, AMC, MTV and NBC. He has taught screenwriting and TV pilot writing at New York Film Academy and UCLA Extension.

Dan Fisher is vice president, acquisitions, leading acquisitions for Cineverse's direct-to-digital and OTT slate. Prior to joining Cineverse, he has over a decade of acquisition, digital sales and distribution experience via roles at VMI

Worldwide, Freestyle Digital Media, Gravitas Ventures and Entertainment One, and has taught film at universities around the country.

Cameron Moore is a consultant for the theatrical distribution business, responsible for directly assisting in strategic planning for theatrical releases, while identifying new film projects to acquire. Moore previously served as senior director, theatrical distribution at Gravitas Ventures, where he oversaw the expansion of his department and contributed to wide releases of films across North America. He has spent his career generating revenues and maximizing profitability, including promotional effectiveness. He has worked at numerous companies including 21st Century Fox, Screenvision Media, and Fathom Events in the United States, in addition to Rogers Media and Alliance Films in Canada.

"I'm thrilled to be adding these three talented executives, each with a unique set of skills and experience that will contribute to Cineverse successfully implementing our motion pictures strategy," said Macias. "As we build out our theatrical, digital and streaming slate, we are strongly positioned to identify fandoms to target with IP driven and award winning releases, and reach audiences in an authentic and efficient manner. Our mission is to deliver for fans, creators and partners."
