Cineverse and DIRECTV Bring Home The Horror This October With SCREAMBOX Now Available as VOD Streaming Service

2026-10-08

Romance Driven Dove Channel Also Now Available to DIRECTV Customers

LOS ANGELES, Oct. 8, 2026 /PRNewswire/ -- **Cineverse** (Nasdaq: CNVS), an entertainment technology company and studio, announced today the addition of both SVOD (subscription video-on-demand) access to SCREAMBOX and Dove Channel on DIRECTV.

SCREAMBOX features a broad mix of content for casual and die-hard horror fans alike. The service is refreshed monthly with content from the Company's extensive genre library with films and episodes delivering every type of terror imaginable. SCREAMBOX currently features classic horror films like Black Christmas, slasher hits Terrifier 2 and 3 as well as the BBC series Bedlam and Being Human.

Dove Channel features a lineup of films and series sending viewers on an escape to romance and excitement, where heartwarming tales, light-hearted love stories, and holiday escapes await. Dove is your streaming home away from home. Dove Channel currently features films Loving Every Minute, Romantic Friction and Love at the Lodge as well as series like Life with Derek and H2O: Just Add Water.

"As we have seen for quite some time, fandom-driven channels like SCREAMBOX and Dove drive real engagement,

subscriptions, and revenue for our distribution partners, while discouraging churn," said Cineverse SVP Partnerships and Business Development Alexandra Viglione. "The value of premium, curated, entertainment programming that targets the most passionate fans continues to grow, and through this expanding partnership with DIRECTV, we are able to reach these audiences however they prefer to watch."
