About Cineverse

Cineverse (Nasdaq: CNVS) is an entertainment technology company and studio. Fiercely innovative and independent, Cineverse develops and invests in technology and content that drives the future of the industry. Core to its business is **Matchpoint®** – a growing tech ecosystem designed to prepare, distribute, monetize, and continuously improve content across any platform. Matchpoint helps studios large and small operate at scale and improve performance and efficiency in an increasingly fragmented distribution environment. Additionally, Cineverse distributes a vast library of premium films, series, and podcasts, across theatrical, home entertainment,

and streaming; operates dozens of digital properties that super serve passionate fandoms around the world; and works with leading brands to connect them with audiences they value. From award-winning technology to the **highest-grossing unrated film in U.S. history**, Cineverse has created a playbook that marries tech and content to redefine the next era of entertainment.
