

NEWS RELEASE

Avantor® and Catalent Enter into Multi-Year Supply and Services Agreement

1/9/2023

RADNOR, Pa. and SOMERSET, N.J., Jan. 9, 2023 /PRNewswire/ -- Avantor, Inc. (NYSE: AVTR), a leading global provider of mission-critical products and services to customers in the life sciences, advanced technologies and applied materials industries, today announced that it has entered into a multi-year supply and services agreement with Catalent, Inc. (NYSE: CTLT), the leader in enabling the development and supply of better treatments for patients worldwide. Under the terms of the agreement, Avantor will be the primary supplier of a broad range of laboratory supplies, clinical and production materials, and services to Catalent, expanding the companies' existing relationship.

"We have seen firsthand that Avantor is a terrific partner that brings diverse capabilities and expertise across modalities and geographies, which is essential to meeting global health needs," said Alessandro Maselli, President and Chief Executive Officer, Catalent. "We look forward to deepening our work with the Avantor team to bring current and novel treatments to patients around the world."

"Catalent has built tremendous global capabilities and a reputation as a trusted collaborator to pharma, biotech and consumer health partners throughout the development and production lifecycle," said Michael Stubblefield, President and CEO of Avantor. "We are pleased to expand our support for Catalent and enable efficiencies to accelerate science for their customers around the globe."

This expanded relationship reflects Avantor's long history of providing customers with choice, reliability and innovative solutions. For more information, visit [avantorsciences.com](https://www.avantorsciences.com).

About Avantor

Avantor[®], a Fortune 500 company, is a leading global provider of mission-critical products and services to customers in the biopharma, healthcare, education & government, and advanced technologies & applied materials industries. Our portfolio is used in virtually every stage of the most important research, development and production activities in the industries we serve. We set science in motion to create a better world. For more information, visit [avantorsciences.com](https://www.avantorsciences.com) and find us on [LinkedIn](#), [Twitter](#) and [Facebook](#).

About Catalent

Catalent is the global leader in enabling pharma, biotech, and consumer health partners to optimize product development, launch, and full life-cycle supply for patients around the world. With broad and deep scale and expertise in development sciences, delivery technologies, and multi-modality manufacturing, Catalent is a preferred industry partner for personalized medicines, consumer health brand extensions, and blockbuster drugs.

Catalent helps accelerate over 1,000 partner programs and launch over 150 new products every year. Its flexible manufacturing platforms at over 50 global sites supply around 80 billion doses of nearly 8,000 products annually. Catalent's expert workforce of approximately 18,000 includes more than 3,000 scientists and technicians.

Headquartered in Somerset, New Jersey, the company generated nearly \$5 billion in revenue in its 2022 fiscal year. For more information, www.catalent.com.
