The Caesars Sportsbook mobile app using the Liberty technology is live in eight states – Colorado, Indiana, Iowa, Michigan, New Jersey, Tennessee, Virginia, and West Virginia. And will soon be live, pending regulatory review, in Arizona, Maryland, and Louisiana.

In Illinois, Nevada, and Washington, DC, markets where bettors are required to be at or near a Caesars Sportsbook retail location to register, bettors will now have access to the new Caesars Sportsbook by William Hill app. The Caesars Sportsbook by William Hill app offers an upgraded look and link to Caesars Rewards.

"Caesars Sportsbook puts the bettor at the center of everything," said Eric Hession, Co-President of Caesars Digital. "We understand that we need to be nimble, we need to give bettors what they want in terms of depth of odds and breadth of sports, and we need to make our app easy and fun to navigate. But beyond that, we want to treat every Caesars Sportsbook player like a Caesar. And that means generous offers and a way to earn through Caesars Rewards."

True to the legendary Caesars brand, Caesars Sportsbook is a leader out of the gate, providing an expansive array of wagering opportunities, including live in-game betting. With the power of the Caesars Empire behind it, Caesars Sportsbook offers flexible limits on the bets players want to make as well as exclusive profit boosts. In celebration of the launch, first-time Caesars Sportsbook app users will have the opportunity to place their first bet, up to \$5,000, risk-free.

The Caesars Sportsbook brand leads in market access for legalized sports betting and has the most retail locations in the US. Caesars Sportsbook will also be launched outside of the Company's casinos and resorts in such places as Capital One Arena, Chase Field, Monmouth Park Racetrack, Mountaineer Casino & Resort, Prairie Meadows Casino & Racetrack, and Turtle Creek Casino, expanding the Company's presence in key gaming markets.

To bring the brand to life and educate customers on what it means to bet like a Caesar, Caesars Sportsbook is deploying a nationwide advertising campaign with actor-comedian **JB Smoove** embodying the legendary Caesar. As an avid sports fan, Smoove seamlessly aligns with the brand's vision. The series of spots also features **Patton Oswalt** as Carl, one of Caesars' biggest fans who's already playing on Caesars Sportsbook and earning Caesars Rewards.
