LAS VEGAS--(BUSINESS WIRE)-- Caesars Entertainment, Inc. (NASDAQ: CZR) ("Caesars") today announced it is the first in the industry to launch IGT's newest installment of its beloved slot title, Kitty Glitter Grand™. The game is now live across Caesars Palace Online Casino, Horseshoe Online Casino, and Caesars Sportsbook & Casino in New Jersey, Pennsylvania, Michigan, West Virginia, and Ontario. It's also available at Caesars Rewards® destinations in Atlantic City, including Caesars and Harrah's, with Tropicana set to join the lineup soon, subject to final regulatory approval.

This debut marks IGT's first simultaneous exclusive launch of a game both online and in casinos in the United States. As a result, Caesars is currently the only place where fans of the Kitty Glitter™ franchise can experience this latest installment, whether in person or online.

"The popularity of Kitty Glitter Grand speaks for itself across gaming floors at our Caesars Rewards destinations, which is why we couldn't be happier that our players will be the first to enjoy the newest title in this renowned brand's history," said Matthew Sunderland, Senior Vice President and Chief iGaming Officer at Caesars Digital. "We

know how impactful exclusive launches can be, so we're grateful to our partners at IGT for their trust in partnering with us on their first simultaneous online and in-casino launch in the United States. We're committed to bringing first-to-market, unforgettable experiences to our online casino players that can't be found anywhere else."

"The exclusive launch of Kitty Glitter Grand is another shining example of how we're strengthening the powerful connection between our world-class destinations in Atlantic City and beyond with our dynamic digital platforms," said Barron Fuller, Regional President at Caesars Entertainment. "We're uniquely positioned to deliver exclusive, first-to-market gaming experiences that our guests can enjoy both on the casino floor and from the comfort of their home. This launch underscores our commitment to offering best-in-class entertainment wherever our players choose to engage."

For more than twenty years, Kitty Glitter has been a fan favorite in brick-and-mortar casinos, and its enduring popularity continues to captivate players. This latest installment offers an enhanced gameplay experience with recognizable collection features that players already know and love from the original Kitty Glitter game, while adding even more compelling new enhancements. Both new players and fans of the original can enjoy an added wheel bonus and random wilds in the base game, which help boost these themes to the next level.

"We're thrilled to partner with Caesars on the exclusive launch of Kitty Glitter Grand, a title that builds on one of IGT's most iconic brands," said Nick Khin, CEO of Gaming at IGT. "This first-of-its-kind simultaneous launch across online and land-based channels in the U.S. reflects our commitment to innovation and delivering engaging content that resonates with players wherever they choose to play."

In celebration of this special debut, Caesars plans to host an exclusive VIP event for select Caesars Rewards members at Caesars Atlantic City in August. The Company is also running an omnichannel promotion at its Atlantic City destinations and a special leaderboard promotion across its digital platforms in all jurisdictions where it offers iGaming, excluding Ontario.

Caesars Palace Online Casino, Horseshoe Online Casino, and Caesars Sportsbook & Casino offer a premium online casino experience for players 21 and older in New Jersey, Pennsylvania, Michigan, Ontario, and West Virginia. Accessible via iOS, Android, and desktop, each platform delivers a dynamic mix of exclusive Caesars-branded games and classic casino favorites, including high-limit slots, private live dealer tables, linked progressive jackpots, and multiple variations of poker and roulette.
