Caesars Entertainment Expands WSOP Online, Becoming the First Online Poker Operator to Pool Liquidity Across Four United States Jurisdictions

2025-04-28

The historic move allows players in Pennsylvania to join those in Nevada, New Jersey and Michigan on WSOP Online's upgraded platform just in time for the 2025 World Series of Poker in Las Vegas

LAS VEGAS--(BUSINESS WIRE)-- Caesars Entertainment, Inc. (NASDAQ: CZR) ("Caesars") today announced an expansion of the WSOP Online poker platform, now pooling liquidity in Pennsylvania with its three existing jurisdictions: Nevada, New Jersey and Michigan. The move positions Caesars as the first online poker operator to share liquidity across four U.S. jurisdictions, establishing WSOP Online as the only platform in the U.S. where players from all four states can compete in the same player pool. The inclusion of Pennsylvania follows Michigan's integration with Nevada and New Jersey on WSOP Online in May 2024, marking another significant milestone in the development of WSOP Online as the premier online poker site.

In addition to the announcement of shared liquidity across another jurisdiction, Caesars today unveiled the **2025 WSOP Online Bracelet schedule**. The schedule will once again feature 30 bracelet events coinciding with the 56th annual World Series of Poker, which will be held for the fourth consecutive year at Caesars Rewards® destinations Paris Las Vegas and Horseshoe Las Vegas on the Las Vegas Strip.

"The addition of the Pennsylvania player pool to WSOP Online comes at the perfect time, and we're ready to give avid poker players in The Keystone State the opportunity to raise the stakes on their poker play," said Danielle

Barille, Vice President of Online Poker at Caesars Entertainment. “This expansion enhances the experience for players by building even greater prize pools that are up for grabs all summer long as a part of our jam-packed WSOP Online schedule. We’re ready to see who earns our largest online prize pools ever once the first hands are dealt this summer.”

The first Online Bracelet event kicks off on May 31 with a total of 10 live final tables, and the final event begins on July 15. In 2025, WSOP Online will introduce an Online Bracelet Leaderboard, offering over \$30,000 in prizes for the first time. Participants in the Online Gold Bracelet events will accumulate leaderboard points, with the highest scorer being honored as the 2025 WSOP Online Bracelet Player of the Year.

Every Tuesday, Saturday and Sunday of the series will feature an official gold bracelet up for grabs, from the \$333 Triple Treys No Limit Hold’em event on June 8 to the \$5,300 WSOP Online High Roller Championship on July 9. Last year, over \$30 Million in prize money was awarded from Online Bracelet events in June and July. This year, the schedule is highlighted by six Mystery Bounty tournaments with \$5.5 Million in guarantees.

In addition, exclusive satellites to qualify for land-based tournaments will be offered on WSOP Online, with entry fees as low as \$1. These satellites will be daily single-table satellites and massive promotions, such as the guaranteed 25-seat Main Event mega-satellites on June 29 and July 1 where 25 \$10,000 Main Event Seats are guaranteed for every event. Ten Online Bracelet events will also begin online, playing under a hybrid format, with their final tables contested live in Las Vegas at the WSOP. WSOP satellites outside the United States are currently underway and held exclusively at GGPoker.

Players are permitted to play on WSOP Online while simultaneously participating in live WSOP events at the World Series of Poker in Las Vegas which will run from May 27 to July 16, with poker’s undisputed world championship, also known as the “Main Event®,” beginning on July 2.
