2024-09-19

Sports fans can visit the Evergreen State's largest casino to register and enjoy an elevated sports wagering experience on mobile devices while on property

AUBURN, Wash. & LAS VEGAS--(BUSINESS WIRE)-- Caesars Entertainment, Inc. (NASDAQ: CZR) ("Caesars") launched the Caesars Sportsbook Muckleshoot app, which is now accepting mobile sports bets at Muckleshoot Casino Resort in Auburn, Washington. Guests 21 and older who are interested in wagering on mobile devices can **download** the Caesars Sportsbook Muckleshoot app and must be physically present on the property at Muckleshoot to verify their registration for an account and place wagers during their visit, in accordance with state law.

"The Caesars Sportsbook Muckleshoot app enhances the experience we've brought to Muckleshoot guests since the opening of the property's best-in-class sportsbook in 2022," said Eric Hession, President of Caesars Digital. "This launch underscores our commitment to offering seamless, innovative gaming options with the largest array of markets, including Same Game Parlays and live NFL games streaming in the app. We are thrilled to offer this new level of convenience and fun to the passionate sports fans in the Pacific Northwest."

"The launch of our new mobile betting app represents a significant milestone for Muckleshoot Casino Resort, enhancing our offerings and providing guests with an even more convenient and immersive sports betting experience," said Tim Perkins, Chief Executive Officer of Muckleshoot Casino Resort. "We're always focused on

delivering cutting-edge technology to elevate the excitement for our guests, and this app does exactly that. Whether you're enjoying the beautiful views from our resort or catching the big game at the Caesars Sportsbook at Muckleshoot, the mobile app allows you to bet from anywhere on the property."

The Caesars Sportsbook Muckleshoot mobile app extends the sports wagering experience beyond the on-premise Caesars Sportsbook at Muckleshoot, which accepted its first bets in 2022. The app provides an industry-leading sports wagering experience with user-friendly technology like lightning-fast live scoreboards, live streaming games, quick and secure payouts, and daily special odds boosts and promotions from anywhere inside the casino. The app also contains thousands of betting markets across all major sports, with live in-game betting, same-game parlays, and much more.

Caesars Sportsbook at Muckleshoot immerses sports fans into a sports viewing experience similar to a Vegas-style sportsbook. With more than 20 big-screen TVs wired for maximum sound, a dynamic 12-foot by 24-foot video wall and a live sports ticker with real-time scoring, fans can stay up to date on all the action for marquee sporting events as they wager at one of the many live betting windows, via multiple self-service betting kiosks or on the mobile app.

Caesars Entertainment remains committed to promoting Responsible Gaming awareness and education as Caesars Sportsbook expands into more jurisdictions. In 2023, the Company implemented a refreshed 21+ policy, which certifies that all Caesars Rewards accounts are only made available to individuals 21 and older, and, where allowed by law, limits all domestic gaming, pari-mutuel, sports, and iGaming options to those 21 and older.
