Paul scored a remarkable Royal Flush - 10-J-Q-K-A Spades, securing the exceptional win. The jackpot, which currently exceeds \$130,000, is steadily climbing once again.

"We are thrilled to celebrate this incredible win with Paul, our latest winner to hit the All-In Progressive MEGA Jackpot at Harrah's Resort," said Gregg Klein, Senior Vice President and General Manager, Harrah's Resort. "Through the power of Caesars Rewards, our best-in-class slots and table games, and the fact that our customers are now earning comps 5X faster than ever before at the highest comp rate in the market, Caesars Rewards members now have even more ways to play, dine, shop, stay – and win big at our resorts Harrah's, Tropicana, and Caesars."

The game is part of Caesars Entertainment's multi-linked All-In Progressive Poker Jackpot, a table games side bet, located in the Table Games section at Caesars, Tropicana, and Harrah's Resort in Atlantic City.
