About LISA

LISA is a rapper, singer, dancer and actor best known as a member of the globally renowned K-pop girl group, BLACKPINK. Beyond her success with BLACKPINK, LISA has made a name for herself as a solo artist. LISA broke three Guinness World Records in 2023 as the most Instagram followers for a K-pop artist (currently at 106 Million followers on the platform), she is also the first solo K-pop winner at both the MTV Video Music Awards and the MTV European Music Awards. In 2024, LISA launched her own management company, LLOUD CO., in an effort to create a platform to showcase her overall vision in music and entertainment that pushes boundaries. In partnership with LLOUD Co. and RCA Records, LISA released her first solo single under the partnership, "Rockstar" which was produced by Ryan Tedder and Sam Homaee. She then joined forces with GRAMMY-winning singer-songwriter Rosalía to release her second single, "New Woman," followed by her third single, "Moonlit Floor." She first teased "Moonlit Floor" during her solo festival debut at the Global Citizen Festival in New York City and following the song's official release, she had a showstopping performance at the Victoria's Secret Runway Show. Along with her global dominance in music and unparalleled stage presence, she is known for her unique fashion sense and trendsetting style, making her a prominent force in the global fashion industry. LISA graced the cover of ELLE Magazine's highly coveted September issue in 2024, Louis Vuitton announced LISA as their newest House Ambassador and she continues to be the face of Bulgari. LISA released her highly anticipated debut solo album, *Alter Ego*, last February, which debuted at number seven on the Billboard 200 chart and also debuted at number one on the Billboard Top Album Sales chart. LISA made her solo Coachella debut in April to rave reviews. Outside of music, LISA made her acting debut as "Mook" in the Emmy-nominated season 3 of HBO's hit series, *The White Lotus*. She is currently embarking on her first major film role in *TYGO*, a new chapter of the *Extraction* universe.
