LAS VEGAS (Jan. 25, 2024) – Perfectly placed glass prisms envelop guests inside **Glass Bar**, a new bar and lounge opening this winter at Planet Hollywood Resort & Casino.

Spanning nearly 4,000 square feet, the inviting cocktail lounge features bar-top games for guests to enjoy while sipping on a cocktail or watching sports on one of the six television screens that wrap around the bar. The new venue offers personalized bottle service, craft cocktails, and premium spirits and beer.

“We are excited to bring a gorgeous new cocktail bar to Planet Hollywood,” said Jason Gregorec, SVP and General Manager of Planet Hollywood Resort & Casino. “Glass Bar is the perfect venue for our guests to grab a cocktail before or after one of our incredible shows at Bakkt Theater.”

Designed by the globally renowned architecture and design firm Rockwell Group, Glass Bar is an elegant destination with thousands of crystal prisms and polished chrome brass framing the space. The clear, amber and

gray crystal prisms create an ombre lighting element, while faceted, mirrored columns reflect the light and energy throughout the bar.

The cocktail menu includes the Fruit & Pebble, made with Bacardi Superior rum, fruity pebble syrup, lime juice and fruity pebble dust as a garnish. Guests can also indulge in The Light Show, which features Ketel One Cucumber & Mint Vodka and Lagoon Bay Aperitif and is topped off with Fever Tree cucumber tonic water. Perfect for Instagram, this refreshing cocktail is served in a glowing blue vessel. The Casino Carnival includes Grey Goose Strawberry & Lemongrass Vodka, passionfruit puree, lime juice, sparkling wine and a cotton candy garnish.

Glass Bar is set to open this winter in the former Heart Bar space in the center of the casino floor and steps away from Bakkt Theater at Planet Hollywood. For more information, guests can visit caesars.com/planet-hollywood.
