TOWERS

CENTURION AND OCEAN TOWERS

The newly renovated guestrooms and suites in the Centurion and Ocean Towers set the stage for a truly exceptional stay. The designs feature a modern Roman aesthetic, drawing inspiration from the local Atlantic City scenery, including the beach, ocean, and the famed Atlantic City Boardwalk. Big bay windows give breathtaking views of the cityscape or ocean, and the rich hues of blue and cream accent colors with contrasting white and gray tones create a calming space. The guestrooms and suites also feature carefully curated décor and contemporary furniture, including modern bathrooms with oversized showers, lighted mirrors, and signature amenities.

NOBU HOTEL ATLANTIC CITY

Designs showcase natural materials fused with Nobu's signature Japanese elegance, designed to convey an extension of the fun and energetic Nobu lifestyle.

FORUM TOWER

Renovated in 2016, the Forum Tower guestrooms feature a modern interior with a warm neutral palette and a pop of golden yellow. The custom-upholstered headboard incorporates mirrored panels, and the custom artwork is a nod to Caesars' rich history of Roman-inspired sculptures and architecture.
