**History:** Harrah's Columbus Nebraska is Caesars Entertainment's first destination in the Corn Husker state. The casino opened in summer of 2024.

**Casino:** The casino features a 17,000-square-foot casino with 400 slot machines, 11 table games and a Caesars Race & Sportsbook featuring a 2,100-square-foot sports and simulcast betting area conveniently located on the casino floor. The area contains 17 viewing screens, including a massive 163-inch video wall for the ultimate sports viewing experience.

**Racing:** Harrah's Columbus Nebraska is home to a one-mile racetrack, the longest track in the state. The track hosts live races every Friday – Sunday from Aug. 16 to Sept. 15, 2024 as well as one on Labor Day. Each date will offer all-ages Grandstand seating, along with 21+ in-person and kiosk betting.

**Dining:** Brew Brothers provides the premier gameday viewing experience complete with local craft beers, incredible eats, and LED screens for the best experience. From burgers to tacos, there's something for everyone.
