For those unable to listen to the live broadcast, a replay will be available at the website address above for 30 days.

About JetBlue

JetBlue is a low-fare, low-cost passenger airline, which provides high-quality customer service. Since launching operations in February 2000, the airline has carried more than 12 million passengers. JetBlue operates a fleet of 41 new Airbus A320 aircraft and is scheduled to place into service another 12 A320s by the end of 2003. All JetBlue aircraft feature roomy all-leather seats each equipped with free live satellite television, offering up to 24 channels of DIRECTV(R) Programming at every seat.(a)

Based out of New York City's John F. Kennedy International Airport, JetBlue currently operates 164 flights a day and serves 20 destinations in nine states and Puerto Rico. JetBlue plans to begin three daily flights between Long Beach, CA and Atlanta, GA starting May 8, and two daily flights between New York City's JFK and San Diego, CA commencing June 26 and July 14, respectively. With JetBlue, all seats are assigned, all travel is ticketless, all fares are one-way, and a Saturday night stay is never required. For more information, schedules and fares, please visit www.jetblue.com or call JetBlue reservations at 1-800-JETBLUE (538-2583). This press release, as well as past press releases, can be found on www.jetblue.com.

(a)DIRECTV(R) service is not available on flights between New York City and San Juan, Puerto Rico.
