This press release contains statements of a forward-looking nature which represent our management's beliefs and assumptions concerning future events. Forward-looking statements involve risks, uncertainties and assumptions and are based on information currently available to us. Actual results may differ materially from those expressed in the forward looking statements due to many factors, including without limitation, our extremely competitive industry, our ability to implement our growth strategy including the integration of the Embraer E190 aircraft into our operations, our significant fixed obligations and our reliance on high daily aircraft utilization, increases in maintenance costs, fuel prices and interest rates, our dependence on the New York market, seasonal fluctuations in our operating results, our reliance on sole suppliers, government regulation, the loss of key personnel and potential problems with our workforce, the potential liability associated with the handling of our customer data and future acts of terrorism or the threat of such acts or escalation of U.S. military involvement overseas. Additional information concerning these and other factors is contained in the Company's Securities and Exchange Commission filings, including but not limited to, the Company's 2003 Annual Report on Form 10-K and Quarterly Reports on Form 10-Q. We undertake no obligation to update any forward-looking statements to reflect events or circumstances that may arise after the date of this release.
