JetBlue Airways Celebrates the Opening of Its New Facility At John F. Kennedy International Airport

MEDIA ADVISORY, May 9, 2005 (PRIMEZONE) --

```
WHAT:     JetBlue Airways will hold a ribbon-cutting ceremony
          in celebration of the airline's newest aircraft
          hangar.

          The hangar originally broke ground on August 8, 2003,
          and contains approximately 100,000 square-feet
          with an ancillary building that will include office
          space.  The hangar will hold up to three aircraft
          and will feature a state-of-the-art automated parts
          retrieval and storage system with over 5,000 storage bins.

          The facilities were constructed by Turner Construction
          Company, with HOK as the design architect.
          Tishman Construction Corporation served as
          owner's representative and McClier provided the
          original concept design.

WHO:      David Neeleman, CEO of JetBlue Airways
          Dave Barger, President and COO of JetBlue Airways
          Tom Anderson, Senior Vice President of Technical
             Operations and Aircraft Programs for
             JetBlue Airways
          Michael Bloomberg, Mayor of New York City
          Charles Gargano, Chairman of NY State Economic
             Development Corporation
          Gregory Meeks, Congressman for New York's Sixth
             Congressional District
          Helen Marshall, Queens Borough President
          Ken Ringler, Executive Director of the
             New York & New Jersey Port Authority
          Arlene Feldman, Eastern Region Administrator
             for the Federal Aviation Administration

WHEN:     TUESDAY, MAY 10, 2005
          10:00 AM

WHERE:    John F. Kennedy International Airport
          JetBlue Airways Building 81A
          South Cargo Road, Cargo Area C
          Jamaica, NY 11430

BACKGROUND:

JetBlue is a low-fare, low-cost passenger airline, which provides high-quality customer service. JetBlue operates a fleet of 74 new Airbus A320 aircraft and plans to add 10 additional A320s and 7 Embraer E190s to its fleet in 2005. Based at New York City's John F. Kennedy International Airport, JetBlue currently operates 288 flights a day and serves 29 destinations in 12 states, Puerto Rico, the Dominican Republic and The Bahamas. JetBlue plans to commence new

service from JFK to Portland, OR on May 17, and to Burbank, CA on May 24.

All JetBlue aircraft feature roomy leather seats; all equipped with an in-seat digital entertainment system offering up to 36 channels of free DIRECTV(r) programming. On many flights, a selection of first-run movies and bonus features from FOX InFlight Premium Entertainment may be available (see note).

With JetBlue, all seats are assigned, all travel is ticketless, all fares are one-way, and an overnight stay is never required. For more information, schedules and fares, please visit www.jetblue.com or call JetBlue reservations at 1-800-JETBLUE (538-2583), 1-888-538-2583 if calling from Puerto Rico, or 1-200-9898 if calling from the Dominican Republic. This press release, as well as past press releases, can be found on www.jetblue.com.

Note: DIRECTV(r) service is not available on flights between JFK and Puerto Rico or the Dominican Republic; however, where available, FOX InFlight Premium Entertainment is offered complimentary on these routes.
