NEW YORK, Feb. 10, 2006 (PRIMEZONE) -- JetBlue Airways (Nasdaq:JBLU) will waive its change fees and any fare differences to allow customers with reservations for travel on Saturday, February 11, to or from Washington's Dulles International airport, and customers with reservations for travel on Sunday, February 12, to or from JFK, LaGuardia, Newark and Boston's Logan International Airport, to postpone their plans provided they rebook and travel on or before Wednesday, February 15, 2006, to avoid the inclement weather in the area. Customers should call 1-800-JETBLUE (538-2583) to arrange for ticket changes.

To check on the status of flights or to check the availability of alternate flights, customers are encouraged to log on to www.jetblue.com or to call 1-800-JETBLUE (538-2583) for the latest flight information.

In the six years since its launch, JetBlue Airways has focused on creating a new airline category -- a value airline with values. Based out of New York City, the low-cost carrier currently serves 34 destinations with more than 370 flights daily. Onboard JetBlue, customers enjoy roomy leather seats and 36 channels of free DIRECTV(r) programming (see Note), the most live TV available on any airline. On flights longer than two hours, a selection of first-run movies and bonus features from FOX InFlight(tm) is also available. JetBlue offers customers generous brand name snacks and beverages, including freshly brewed Dunkin' Donuts coffee, and delicious wines selected by the airline's Low Fare Sommelier, Josh Wesson from Best Cellars. With JetBlue, all seats are assigned, all travel is ticketless, all fares are one-way, and an overnight stay never required. For information or reservations call 1-800-JETBLUE (1-800-538-2583) or visit www.jetblue.com.

Note: DIRECTV(r) service is not available on flights between JFK or Newark and Puerto Rico or the Dominican Republic; however, FOX InFlight(tm) is offered complimentary on these routes. FOX Inflight is a trademark of Twentieth Century Fox Film Corporation. JetBlue's in-flight entertainment is powered by LiveTV, a wholly owned subsidiary of JetBlue.
