April Showers Bring May Travels on JetBlue

New York to Florida Fares Start at $79 (a) Each Way; Coast-to-Coast Fares Begin at $129 (a) Each Way

NEW YORK, Apr 11, 2006 (PRIMEZONE via COMTEX News Network) -- JetBlue Airways (Nasdaq:JBLU) offers Spring fares starting at $79(a) each way for travel between New York and Florida and coast-to-coast fares beginning at $129(a) each way.

Spring fares require up to a 14 day advance purchase and must be booked by April 21, 2006, 11:59 PM MST. Travel for Bermuda, Puerto Rico, transcontinental, and mid-continental destinations must take place between April 25, 2006 and May 24, 2006. All other travel must take place between April 25, 2006 and June 21, 2006. Black-out dates include May 26, 2006 and May 29, 2006. Customers are encouraged to book early, as Spring fares may not be available on all days or on all flights.

Long Beach, Oakland, CA	$129 (a)

In the six years since its launch, JetBlue Airways has focused on creating a new airline category -- an airline that offers value, service and style. Based out of New York City, the low-cost carrier currently serves 35 destinations with more than 410 flights daily. Onboard JetBlue, customers enjoy roomy leather seats and 36 channels of free DIRECTV(r) programming (b), the most live TV available on any airline. On flights longer than two hours, a selection of first-run movies and bonus features from FOX InFlight(tm) is also available. JetBlue offers customers generous brand name snacks and beverages, including freshly brewed Dunkin' Donuts coffee, and delicious wines selected by the airline's Low Fare Sommelier, Josh Wesson from Best Cellars. On overnight flights from the West, the airline now offers Shut-Eye Service, with a Shut-Eye Kit(tm) designed exclusively for JetBlue by Bliss Spa and other special amenities including a "good morning" hot towel service. With JetBlue, all seats are assigned, all travel is ticketless, all fares are one-way, and an overnight stay is never required. For information or reservations call 1-800-JETBLUE (1-800-538-2583) or visit www.jetblue.com.

(a) Spring fares require up to a 14 day advance purchase. Travel must be booked by April 21, 2006, 11:59 PM MST. Travel for Bermuda, Puerto Rico, transcontinental, and mid-continental destinations must take place between April 25, 2006 and May 24, 2006 and must be completed by May 24, 2006. All other travel must take place between April 25, 2006 and June 21, 2006 and must be completed by June 21, 2006. Blackout dates for travel are May 26 and 29, 2006. Spring fares may not be available on all days or on all flights. Spring fares are most often found on midweek travel dates. All fares must be purchased at time of reservation, and are one-way, nonrefundable, and nontransferable. Cancellations and changes can be made prior to scheduled departure for $30 at 1-800-JETBLUE (or, in the case of changes, at jetblue.com) with applicable fare adjustment. Cancellations are for a JetBlue travel credit only, which is valid for one year. If a reservation is not changed or canceled prior to scheduled departure, all money associated with the reservation is forfeited. Fares do not include Passenger Facility Charges of up to $9 each way, September 11th Security Fees of up to $5 each way and a Federal Segment Tax of $3.30 per domestic segment. A segment is a takeoff and landing. Caribbean and Bermuda fares also do not include government fees and taxes of up to $71.45 each way. All taxes and fees must be paid at the time of purchase. JetBlue reserves the right to deny boarding to passengers without proper documentation.

(b) DIRECTV(r) service is not available on flights to/from Bermuda, Puerto Rico or the Dominican Republic; however, where applicable FOX InFlight is offered complimentary on these routes. FOX InFlight is a trademark of Twentieth Century Fox Film Corporation. JetBlue's in-flight entertainment is powered by LiveTV, a wholly owned subsidiary of JetBlue.

This press release contains statements of a forward-looking nature which represent our management's beliefs and assumptions concerning future events. Forward-looking statements involve risks, uncertainties and assumptions and are based on information currently available to us. Actual results may differ materially from those expressed in the forward looking statements due to many factors, including without limitation, our extremely competitive industry, increases in fuel prices, maintenance costs and interest rates, our ability to implement our growth strategy including the integration of the EMBRAER 190 aircraft into our operations, our significant fixed obligations, our ability to maintain our culture as we grow, our reliance on high daily aircraft utilization, our dependence on the New York metropolitan market, our reliance on automated systems and technology, our reliance on sole suppliers, additional government regulation and changes in our industry due to financial condition and external geopolitical conditions. Information concerning these and other factors is contained in the Company's Securities and Exchange Commission filings, including but not limited to, the Company's 2005 Annual Report on Form 10-K and Quarterly Reports on Form 10-Q. We undertake no obligation to update any forward-looking statements to reflect events or circumstances that may arise after the date of this release.
