All Aboard! JetBlue Now Departing From Seven New Gates at JFK: JetBlue Grows to 21 Gates at Hometown Airport in Anticipation of New Home at Terminal 5

NEW YORK, June 1, 2006 (PRIMEZONE) -- JetBlue Airways (Nasdaq:JBLU) today opened seven new gates at New York's JFK International Airport Terminal 6, bringing the low-fare airline's total gate capacity to 21, up from 14. With the new gates, JetBlue has the capability to operate up to 185 daily flights from JFK. This additional capacity will help the low-fare airline grow into its brand-new home at Terminal 5 once construction is complete by 2009. The new terminal will offer 26 gates, capable of supporting up to 250 daily JetBlue flights.

The additional seven-gate facility offers customers comfortable waiting areas with free Wi-Fi, power outlets for laptops and cell phones, seating capacity for 100 at each gate and aircraft access via enclosed jetbridge. Customer concessions include two Hudson newsstands, a New York Sports Bar and Grill and two Cibo Express gourmet food shops, providing a variety of dine-in or take-onboard options. The new gate area is an extension of JetBlue's Terminal 6, accessible via convenient shuttle bus service.

"These new gates will allow us to increase the number of flights and destinations we offer customers from New York's JFK, our hometown airport, and will also enhance operational performance," said David Neeleman, CEO, JetBlue Airways. "New York is the largest travel market in the world. It's our home, and we are pleased to continue expanding our award-winning service."

In the six years since its launch, JetBlue Airways has focused on creating a new airline category -- an airline that offers value, service and style. Based out of New York City, the low-cost carrier currently serves 37 destinations with more than 400 flights daily. Onboard JetBlue, customers enjoy roomy leather seats and 36 channels of free DIRECTV(r) programming (a), the most live TV available on any airline. On flights longer than two hours, a selection of first-run movies and bonus features from FOX InFlight(tm) is also available. JetBlue offers customers generous brand name snacks and beverages, including freshly brewed Dunkin' Donuts coffee, and delicious wines selected by the airline's Low Fare Sommelier, Josh Wesson from Best Cellars. On overnight flights from the West, the airline now offers Shut-Eye Service, with a Shut-Eye Kit(tm) designed exclusively for JetBlue by Bliss Spa and other special amenities including a "good morning" hot towel service. With JetBlue, all seats are assigned, all travel is ticketless, all fares are one-way, and an overnight stay is never required. For information or reservations call 1-800-JETBLUE (1-800-538-2583) or visit www.jetblue.com.

(a) DIRECTV(r) service is not available on flights outside the continental United States; however, where applicable FOX InFlight is offered complimentary on these routes. FOX InFlight is a trademark of Twentieth Century Fox Film Corporation. JetBlue's in-flight entertainment is powered by LiveTV, a wholly owned subsidiary of JetBlue.

This press release contains statements of a forward-looking nature which represent our management's beliefs and assumptions concerning future events. Forward-looking statements involve risks, uncertainties and assumptions, and are based on information currently available to us. Actual results may differ materially from those expressed in the forward looking statements due to many factors, including, without limitation, our extremely competitive industry; increases in fuel prices, maintenance costs and interest rates; our ability to implement our growth strategy, including the integration of the EMBRAER 190 aircraft into our operations; our significant fixed obligations; our ability to attract and retain qualified personnel and maintain our culture as we grow; our reliance on high daily aircraft utilization; our dependence on the New York metropolitan market; our reliance on automated systems and technology; our reliance on a limited number of suppliers; changes in or additional government regulation; changes in our industry due to other airlines' financial condition; and external geopolitical events and conditions. Further information concerning these and other factors is contained in the Company's Securities and Exchange Commission filings, including but not limited to, the Company's 2005 Annual Report on Form 10-K and Quarterly Reports on Form 10-Q. We undertake no obligation to update any forward-looking statements to reflect events or circumstances that may arise after the date of this release.
