JetBlue Airways is focused on creating a new airline category -- an airline that offers value, service and style. Based in New York City, and now in its seventh year, the low-cost carrier currently serves 50 destinations with more than 500 flights daily. JetBlue has the most legroom in coach(a). In addition to its signature seatback television service from DIRECTV(r)(b), JetBlue also offers a selection of first-run movies and bonus features from FOX InFlight(tm) on flights longer than two hours. The low-fare, high-value airline offers customers generous brand name snacks and beverages, including freshly brewed Dunkin' Donuts(r) coffee, and delicious wines selected by the airline's Low Fare Sommelier, Josh Wesson from Best Cellars(r). With JetBlue, all seats are assigned, all travel is ticketless, all fares are one-way, and an overnight stay is never required. For information or reservations call 1-800-JETBLUE (1-800-538-2583) or visit http://www.jetblue.com.

(a) JetBlue has the most legroom in coach, based on average fleet-wide seat pitch for U.S. airlines.

(b) DIRECTV(r) service is not available on flights outside the continental United States; however, where applicable FOX InFlight(tm) is offered complimentary on these routes. FOX InFlight(tm) is a trademark of Twentieth Century Fox Film Corporation. JetBlue's in-flight entertainment is powered by LiveTV, a wholly owned subsidiary of JetBlue.
