For those unable to listen to the live webcast, a replay will be available at the website address above.

New York-based JetBlue Airways has created a new airline category based on value, service and style. Known for its award-winning service and free TV as much as its low fares, JetBlue is now pleased to offer customers the most legroom throughout coach (based on average fleet-wide seat pitch for U.S. airlines). JetBlue introduced complimentary in-flight e-mail and instant messaging services on aircraft "BetaBlue," a first among U.S. domestic airlines. JetBlue is also America's first and only airline to offer its own Customer Bill of Rights, with meaningful and specific compensation for customers inconvenienced by service disruptions within JetBlue's control. Visit www.jetblue.com/promise for details. JetBlue serves 53 cities with up to 600 daily flights. New service to Los Angeles International Airport begins in May. With JetBlue, all seats are assigned, all travel is ticketless, all fares are one-way, and an overnight stay is never required.
