This press release contains statements of a forward-looking nature which represent our management's beliefs and assumptions concerning future events. Forward-looking statements involve risks, uncertainties and assumptions, and are based on information currently available to us. Actual results may differ materially from those expressed in the forward-looking statements due to many factors, including, without limitation, our extremely competitive industry; increases in fuel prices, maintenance costs and interest rates; our ability to implement our growth strategy, including the ability to operate reliably the EMBRAER 190 aircraft and our new terminal at JFK; our significant fixed obligations; our ability to attract and retain qualified personnel and maintain our culture as we grow; our reliance on high daily aircraft utilization; our dependence on the New York metropolitan market and the effect of increased congestion in this market; our reliance on automated systems and technology; our being subject to potential unionization; our reliance on a limited number of suppliers; changes in or additional government regulation; changes in our industry due to other airlines' financial condition; and external geopolitical events and conditions. Further information concerning these and other factors is contained in the Company's Securities and Exchange Commission filings, including but not limited to, the Company's 2007 Annual Report on Form 10-K and Quarterly Reports on Form 10-Q. We undertake no obligation to update any forward-looking statements to reflect events or circumstances that may arise after the date of this release.
