(a) Restrictions: Each GoPack includes either six (6) or ten (10) GoPack codes, each good for the base fare of a one-way, nonstop flight for one person on the select specified routes. A GoPack may be purchased until 3/31/14 or while supplies last. Purchase is NONREFUNDABLE. You can use your GoPack to book online as soon as you receive your codes (approximately 24 hours after purchase) until 6/17/14 for travel through 6/17/14 (blackout dates 4/11/14 - 4/28/14 apply). GoPack codes may be divided among multiple travelers, but each booking using a code may only have one customer; if you and another traveler each wish to use a GoPack code on the same flight, you must complete separate bookings using two separate codes. The price of a GoPack includes the gov't taxes and fees required to take all of the flights you could book using that GoPack, but you will only pay the base price for the GoPack at the time of purchase, and then you will pay the required $7 gov't taxes/fees per one-way flight at time of booking. These taxes/fees are not included in the GoPack price you pay at time of purchase because you may elect not to take all flights in your GoPack or you may elect to share your GoPack codes with others; taxes and fees will only be due for flights actually booked, and only the traveler using the GoPack code will pay the taxes and fees for the particular flight being booked with that code. GoPack is valid only for the specified JetBlue-operated flights and is not valid in connection with JetBlue Getaways, cruises, partner or code share or interline flights, pet fees, Even More Space seats, excess, overweight or oversized checked baggage, in-flight movies, pillows and blankets, headsets, beverages or any other products/services. Travel using a GoPack is subject to availability; all seats on qualifying routes are available for booking and subject to selling out. A GoPack does not guarantee availability on any particular flight. Flight schedules are subject to change without notice or liability to you. Changes/cancellations to a GoPack reservation must be made by calling 1-800-JET-BLUE (538-2583). $75 change fee applies; for cancellations, GoPack code will be forfeited. Name changes not permitted. If you "no show," you will forfeit your GoPack code and all money associated with reservation. For cancellations, only the gov't taxes/fees will be refunded. Flight reservations made 1 week or more prior to a flight's scheduled departure may be canceled without penalty up to 24 hours after the reservation is made, in which case you will receive a replacement code and a refund of taxes/fees. Additional restrictions apply. See the full GoPack Terms and Conditions for complete and important information about GoPack.
