*As amended as of February 13, 2024*

### PURPOSE

The purpose of the Compensation Committee (the "**Committee**") of the Board of Directors (the "**Board**") of BILL Holdings, Inc. (the "**Company**") is to discharge the Board's responsibilities with respect to compensation of the Company's executive officers and directors, the adoption and administration of policies that govern the Company's cash and equity compensation plans and programs and certain benefits plans and programs, and to fulfill the other responsibilities identified in this charter (the "**Charter**"). The Committee may also make recommendations to the Board regarding any other Board responsibilities relating to executive compensation.

This Charter sets forth the authority and responsibility of the Committee in fulfilling its purpose.

### MEMBERSHIP

The Committee will consist of two or more members of the Board, with the exact number determined from time to time by the Board. Each member of the Committee will:

- be "independent" as defined in any other rules and regulations ("**Commission Rules**") promulgated by the Securities and Exchange Commission (the "**Commission**") under Section 10C of the Securities Exchange Act of 1934, as amended (the "**Exchange Act**"), except as may otherwise be permitted by Commission Rules;
- be a "non-employee director," as defined in Rule 16b-3 under Section 16 of the Exchange Act;
- be an "outside director" under Regulation Section 1.162-27 promulgated under Section 162(m) of the Internal Revenue Code of 1986, as amended;

- meet any other requirements imposed by applicable law, regulations or rules, subject to any applicable exemptions and transition provisions.

All members of the Committee will be appointed by, and will serve at the discretion of, the Board. The Board may appoint a member of the Committee to serve as the chairperson of the Committee (the "**Chair**"); if the Board does not appoint a Chair, the Committee members may designate a Chair by their majority vote. The Chair will set the agenda for Committee meetings and conduct the proceedings of those meetings. Members of the Committee may be replaced or removed by the Board at any time, with or without cause. Resignation or removal of a director from

the Board, for whatever reason, will automatically constitute resignation or removal, as applicable, from the Committee.

## **RESPONSIBILITIES AND DUTIES**

The principal responsibilities and duties of the Committee in serving the purposes outlined in the section titled "Purpose" are set forth below. These duties are set forth as a guide, with the understanding that the Committee will carry them out in a manner that is appropriate given the Company's needs and circumstances. The Committee may engage in such other activities, and establish such policies and procedures, from time to time as it deems necessary or advisable in implementing this Charter.

The Committee will:

1. Annually review the Company's overall compensation strategy, including base salary, incentive compensation and equity-based grants, to assure that it promotes stockholder interests and supports the Company's strategic and tactical objectives, and that it provides for appropriate rewards and incentives for the Company's management and employees.
2. Annually review and approve the goals and objectives to be considered in determining the compensation of the Company's Chief Executive Officer (the "**CEO**"), other "executive officers" as defined under Rule 3b-7 and "officers" as defined under Rule 16a-1(f) promulgated under the Exchange Act, as well as any other executive team members (collectively with the CEO, the "**Executive Officers**"), and evaluate their performance in light of these goals and objectives.

Based on this evaluation, including an evaluation of the Company's performance, the Committee will, subject in the case of CEO compensation to approval by the independent members of the Board, determine and approve (i) the salary paid to the CEO and other Executive Officers, (ii) the grant of all cash-based incentive compensation and equity-based compensation to the CEO and other Executive Officers, (iii) the entering into or amendment or extension of any offer letter, employment contract or similar arrangement with the CEO and other Executive Officers, (iv) the entering into or amendment or extension of any severance or change in control arrangements with the CEO and other Executive Officers, and (v) any other CEO or other Executive Officer compensation matters. In evaluating and determining, or making recommendations to the Board regarding, Executive Officer compensation, the Committee shall consider the results of the most recent stockholder advisory vote on executive compensation required by Section 14A of the Exchange Act. The Committee may also make similar compensation related decisions with respect to other employees of the Company if Board or Committee approval is required or desirable as determined by legal counsel. The Committee also may take account of the recommendations of the CEO with respect to other Executive Officers for each of the foregoing items. The CEO may not be present during voting or deliberations regarding the CEO's compensation.

3. Meet with the CEO at least annually to discuss the incentive compensation programs in effect, or to be considered, for the other Executive Officers and for other employees of the Company or any Company subsidiary for such fiscal year, and the corporate goals and objectives relevant to those programs and performance targets applicable to the Executive Officers and, where appropriate, other employees of the Company or any subsidiary.

4. Annually review and adopt and approve, or make recommendations to the Board with respect to adoption and approval of, or amendments to, all cash-based and equity-based incentive compensation plans and arrangements, and the aggregate cash amounts and aggregate numbers of shares reserved for issuance thereunder, after taking into consideration the Company's strategies with respect to cash-based and equity-based compensation.

5. Review policies and procedures relating to perquisites and expense accounts of Executive Officers.

- adopt, amend or recommend to the Board the adoption of or amendments to equity plans (subject to stockholder approval when required) as may be necessary or appropriate to carry out the Company's compensation strategy;
- establish performance-related criteria for equity awards, and determine whether such performance-related criteria have been earned;
- correct any defect, supply any omission, or reconcile any inconsistency in any equity compensation plan, award, exercise agreement or other arrangement;
- re-price awards granted under equity-based compensation plans (subject to stockholder approval when required);
- when appropriate, modify existing equity awards (with the consent of the grantees) and approve authorized exceptions to provisions of the equity plans; and
- consider and adopt any required or appropriate option or equity award grant timing policy.

In addition to the authority to delegate to a subcommittee as set forth herein, the Committee may adopt an equity grant policy and delegate to the CEO (either alone or acting together with one or more other officers of the Company), including in conjunction with one or more officers, within the limits imposed by such policy and applicable law and the Exchange Rules, the authority to approve cash awards or make grants of stock options, restricted stock units or

other equity awards to employees and consultants of the Company or of any subsidiary of the Company who are not Executive Officers or directors of the Company or any subsidiary (unless otherwise determined by the Committee). The CEO shall report to the Committee members at least quarterly in writing (which includes email) any equity grants made pursuant to such delegation, which report shall include each grantee's name, type of award, and number of shares.

7. Administer and, if deemed necessary, amend the Company's 401(k) plan and any deferred compensation plans, and the Company's health and welfare benefit plans (collectively, the "**Designated Plans**"), and, if desired, delegate the routine administration of the Designated Plans to an administrative committee consisting of employees of the Company named by the Committee.

8. Annually review and assess, in consultation with the Nominating and Corporate Governance Committee, and recommend to the Board for determination and approval, the form and amount of cash-based and/or equity-based compensation to be paid or awarded to the Company's non-employee directors for service on the Board or on committees of the Board.

The Committee will also review and recommend the final CD&A to the Board for inclusion in the Company's annual report on Form 10-K or proxy statement, to the extent required of the Company.
