Honor Recognizes Company's Commitment to Triple Bottom Line

BELLEVUE, Wash.--(BUSINESS WIRE)-- **Savers Value Village, Inc.** (NYSE: SVV) was named the winner of a Gold Stevie® Award in the Achievement in Corporate Social Responsibility (CSR) category and a Silver Stevie® Award in the Achievement in Environmental, Social and Governance (ESG) category as part of the 2025 American Business Awards®.

The American Business Awards are the United States' premier business awards program.

More than 3,600 nominations from organizations of all sizes and in virtually every industry were submitted this year for consideration in a wide range of categories. Savers Value Village, Inc. was nominated for its commitment to embedding sustainability, social impact, and responsible growth directly into its business model.

"At Savers Value Village, we've always believed that purpose and running a successful business can go hand in hand," said Mark Walsh, Chief Executive Officer. "These recognitions from the American Business Awards affirm that our commitment to reuse, supporting communities, and responsible growth is making a meaningful impact. We're proud to lead the thrift movement and help power the circular economy."

Savers Value Village is built on the belief that reuse can drive both environmental impact and business success. From 2020 to 2024, we diverted over 3.2 billion pounds of reusable goods from landfills across the U.S., Canada, and Australia. In fiscal year 2024 alone, we processed 1 billion pounds of secondhand items—nearly all locally

sourced. These efforts not only reduce waste but also extend the life of everyday items, supporting a circular economy and conserving valuable resources. As interest in the secondhand market continues to grow, we will have the opportunity to elevate and define the thrift experience for decades to come because of our leadership and innovation.

More than 250 professionals worldwide participated in the judging process to select this year's Stevie Award winners. Winners will be celebrated during a gala event in June in New York.
