CalAmp Announces Appointment of Roxanne Oulman to the Board of Directors

8/1/2018

IRVINE, Calif., Aug. 1, 2018 /PRNewswire/ -- CalAmp (Nasdaq: CAMP), a technology solutions pioneer transforming the global connected economy, today announced that a new independent director, Roxanne Oulman, has been appointed to the Company's Board of Directors effective August 1, 2018. This appointment expands the Company's Board to eight members.

"I am delighted to welcome Roxanne to CalAmp's Board of Directors," said A.J. "Bert" Moyer, CalAmp's Chairman of the Board. "Roxanne has extensive financial expertise and is a great addition to our Board as well as a valued member of our Audit Committee. Roxanne has led business transformations in diverse industries and we are looking forward to her insights and perspectives as we advance our strategy to drive profitable growth in the Global Industrial IoT and Connected Vehicle market verticals."

"I am honored to join CalAmp's Board of Directors," said Roxanne Oulman. "CalAmp is a growing telematics leader that is transforming the global connected economy through combining its expansive base of telematics devices and proven CalAmp Telematics Cloud platform with broad Software-as-a-Service (SaaS) applications."

Roxanne served as CFO at CallidusCloud, a publicly traded SaaS company that was acquired by SAP for \$2.4 billion in April 2018. She continues to assist SAP with the integration of CallidusCloud and is executing on various operational and growth strategies. Roxanne oversaw Finance, Accounting, Investor Relations, IT, Security Compliance and Contract Management. Prior to her CFO role, Roxanne was the Senior Vice President of Finance, where she led numerous acquisitions and financing transactions, and supported an on-premise license to SaaS transition.

Previously, Roxanne was the interim Chief Financial Officer at Thoratec Corporation, a publicly traded medical

device company, where she held multiple financial leadership roles from 2004 to 2013.

Roxanne holds a Masters of Business Administration from University of the Pacific-Eberhardt School of Business and a CMA, and a Bachelor's of Science in Accounting from Minnesota State University, Mankato.

About CalAmp

CalAmp (Nasdaq: CAMP) is a technology solutions pioneer transforming the global connected economy.
