Rambus Inc. Announces Third Quarter 2005 Earnings Call

LOS ALTOS, Calif., Oct 06, 2005 (BUSINESS WIRE) -- Rambus Inc. (Nasdaq:RMBS), one of the world's premier technology licensing companies specializing in high-speed chip interfaces, will hold its quarterly conference call on October 17, 2005 at 2:00 p.m. Pacific Time to discuss financial results for the third quarter.

This call will be webcast and can be accessed via Rambus' IR web site at www.rambus.com. A replay will be available following conclusion of the call on Rambus' Investor Relations web site or for one week at the following numbers: (888) 203-1112 (domestic) or (719) 457-0820 (international) with ID# 4027766.

Shareholder questions may be submitted to Rambus in advance of the conference call for management to respond to commonly asked questions during the call. Please submit your questions before October 13, 2005 via our Investor Relations website home page at http://investor.rambus.com/.

About Rambus Inc.

Rambus is one of the world's premier technology licensing companies specializing in the invention and design of high-speed chip interfaces. Since its founding in 1990, the company's innovations, breakthrough technologies and integration expertise have helped industry-leading chip and system companies solve their most challenging and complex I/O problems and bring their products to market. Rambus' interface solutions can be found in numerous computing, consumer, and communications products and applications. Rambus is headquartered in Los Altos, California, with regional offices in Chapel Hill, North Carolina; Bangalore, India; Taipei, Taiwan; and Tokyo, Japan. Additional information is available at www.rambus.com.
