

## **Rambus to Present at the J.P. Morgan 37th Annual Technology, Media and Telecom Conference**

LOS ALTOS, Calif., May 12, 2009 (BUSINESS WIRE) -- Rambus Inc. (Nasdaq:RMBS), one of the world's premier technology licensing companies specializing in high-speed memory architectures, today announced that Harold Hughes, chief executive officer, and Satish Rishi, chief financial officer, will present at the J.P. Morgan 37th Annual Technology, Media and Telecom Conference in Boston on Tuesday, May 19, 2009.

The presentation, which is scheduled to begin at 10:00 a.m. Eastern Time, will be available through a webcast and can be accessed at Rambus' Investor Relations website at <http://investor.rambus.com/>. A replay of the event will also be available on the website following the event.

### **About Rambus Inc.**

Rambus is one of the world's premier technology licensing companies specializing in the invention and design of high-speed memory architectures. Since its founding in 1990, the Company's patented innovations, breakthrough technologies and renowned integration expertise have helped industry-leading chip and system companies bring superior products to market. Rambus' technology and products solve customers' most complex chip and system-level interface challenges enabling unprecedented performance in computing, communications and consumer electronics applications. Rambus licenses both its world-class patent portfolio as well as its family of leadership and industry-standard interface products. Headquartered in Los Altos, California, Rambus has regional offices in North Carolina, India, Germany, Japan, and Taiwan. Additional information is available at [www.rambus.com](http://www.rambus.com).
