## **Rambus to Present at the J.P. Morgan Conference**

SUNNYVALE, Calif.--(BUSINESS WIRE)-- Rambus Inc. (Nasdaq: RMBS), the innovative technology solutions company that brings invention to market, today announced that Dr. Ronald Black, chief executive officer, and Satish Rishi, chief financial officer, will present at the J.P. Morgan Global Technology, Media and Telecom Conference in Boston on Thursday, May 16, 2013.

The presentation, which is scheduled to begin at 10:40 a.m. Eastern Time, will be available through a webcast and can be accessed at Rambus' Investor Relations website at <http://investor.rambus.com>. A replay will also be available on the website following the event.

### **About Rambus Inc.**

Rambus is the innovative technology solutions company that brings invention to market. Unleashing the intellectual power of our world-class engineers and scientists in a collaborative and synergistic way, Rambus invents, licenses and develops solutions that challenge and enable our customers to create the future. While best known for creating unsurpassed semiconductor memory architectures, Rambus is also developing world-changing products and services in security, advanced LED lighting and displays, and immersive mobile media.
