# Atkore International Inc. Acquires Marco Cable Management

05.22.17

HARVEY, Ill.--(BUSINESS WIRE)-- Atkore International Inc. ("Atkore"), today announced that it has acquired Marco Cable Management, a leading U.K. designer and manufacturer of wire basket cable tray and PVC trunking (http://www.marcocm.com).

"We are pleased to have Marco Cable Management join the Atkore family as their product portfolio adds value to our electrical distribution partners in the U.K. and enhances our offering to the data center and healthcare markets," commented Mike Schulte, President-Mechanical Products and Solutions. "Furthermore, as North America's leading electrical raceway manufacturer, this acquisition expands our electrical raceway presence in the U.K. and Europe."

Ian MacGregor, founder of Marco Cable Management, added, "We're pleased to join a global leader who has the capability to grow our company as part of its expanding portfolio. Our similar cultures and dedicated employees focused on quality, delivery and innovation creates a strong value proposition for all of our customers."

Marco Cable Management is located in Llangefni, Wales (U.K.).

Terms of the sale are undisclosed.

About Atkore International Group Inc.

Atkore International Group Inc. delivers a unique portfolio of integrated electrical raceway solutions that deploy, isolate and protect a structure's electrical circuitry from curb to outlet. With 3,100 employees and 52 manufacturing and distribution facilities worldwide, we meet our customers' needs by providing unmatched quality, delivery and value across a robust product line that includes steel, PVC and aluminum conduit, armored cable and flexible conduits, metal framing, wire baskets, cable trays and other complementary products including fittings, mechanical tube and sprinkler pipe.
