

Atkore International Recognized by National Association of Electrical Distributors with Industry Award of Merit

05.07.20

HARVEY, III.--(BUSINESS WIRE)-- Atkore International Group Inc. ("Atkore") today announced it is the recipient of the 2020 Industry Award of Merit from the National Association of Electrical Distributors (NAED). As part of NAED's Annual Achievement Awards, the Industry Award of Merit recognizes a company that has been exceptionally active in promoting, supporting and improving the electrical distribution channel.

"Atkore is honored to be recognized with this prestigious award. NAED represents the voice of distributors and, as such, plays a critical role within the electrical industry. We are proud of our long-standing relationships with the association and its individual members, and remain committed to helping their efforts and achieving success," commented Bill Waltz, Atkore President and Chief Executive Officer.

"Our dedicated employees are focused on meeting customers' needs by providing high quality products and services, and this award validates all of their hard work and signifies the value Atkore brings to the channel," Waltz added.

Atkore International Group Inc. is a leading manufacturer of electrical products primarily for the non-residential construction and renovation markets and Mechanical Products & Solutions for the construction and industrial markets. The company manufactures a broad range of end-to-end integrated products and solutions that are critical to its customers' businesses and employs approximately 4,000 employees at 66 manufacturing and distribution facilities worldwide.
