Littelfuse to Report First Quarter Results April 30

CHICAGO--(BUSINESS WIRE)-- Littelfuse, Inc. (NASDAQ: LFUS) today announced it will release results for the first quarter of 2013 prior to the opening of the market on Tuesday, April 30, 2013.

Company management will host a conference call later that morning, Tuesday, April 30, 2013, at 10:00 a.m. Central / 11:00 a.m. Eastern time to discuss the results. The call will be broadcast live over the Internet and can be accessed through the company's website: www.littelfuse.com. Listeners should go to the website at least 15 minutes prior to the call to download and install any necessary audio software. The call will be available for replay through June 30, 2013 on the company's website.

About Littelfuse

Founded in 1927, Littelfuse, Inc., the worldwide leader in circuit protection, offers the industry's broadest and deepest portfolio of circuit protection products and solutions. Littelfuse devices protect products in virtually every market that uses electrical energy, from consumer electronics to automobiles to industrial equipment. In addition to its Chicago, Illinois, world headquarters, Littelfuse has more than 30 sales, distribution, manufacturing and engineering facilities in the Americas, Europe and Asia. Technologies offered by Littelfuse include Fuses; Gas Discharge Tubes (GDTs); Positive Temperature Coefficient Devices (PTCs); PulseGuard® ESD Suppressors; SIDACtor® Devices; Silicon Protection Arrays (SPA®); Switching Thyristors; TVS Diodes and Varistors. The company also offers a comprehensive line of highly reliable Electromechanical and Electronic Switch and Control Devices for commercial and specialty vehicles and Sensors for automobile safety systems, as well as Protection Relays and underground Power Distribution Centers for the safe control and distribution of electricity.
