Littelfuse Earns Quality Achievement Award From PACCAR Inc.

Award recognizes Littelfuse for their commitment for quality and service

CHICAGO, November 25, 2015 - Littelfuse, Inc., the global leader in circuit protection announced today that it has been honored by PACCAR Inc., with a Quality Achievement Award for its service to PACCAR Inc., during 2014. The award was presented to Sven Löffelbein, sales manager EMEA of the Littelfuse Commercial Vehicle Product sales team, in Bremen, Germany. The award recognizes Littelfuse for excellent product quality and minimal product defects. Suppliers qualify for the award if their parts achieve a quality level of less than 50 PPM (parts per million) that do not pass inspection.

"We work hard to be a preferred supplier to our customers and it is exciting to be recognized for all the hard work that the team puts in to our customer satisfaction and quality goals. We look forward to future opportunities to showcase our quality excellence and are always finding ways to continuously improve existing processes," said Sven Löffelbein after accepting the award on behalf of Littelfuse.

Littelfuse has been supplying PACCAR with heavy-duty commercial vehicle products for years and is among only a handful of PACCAR's suppliers to be honored with this annual award.

About PACCAR
PACCAR is a global technology leader in the design, manufacture and customer support of high-quality light-, medium- and heavy-duty trucks under the Kenworth, Peterbilt and DAF nameplates. PACCAR also designs and manufactures advanced diesel engines, provides financial services and information technology, and distributes truck parts related to its principal business. PACCAR shares are listed on the NASDAQ Global Select Market, symbol PCAR. Its homepage is www.paccar.com.

About Littelfuse
Founded in 1927, Littelfuse is the world leader in circuit protection with growing global platforms in power control and sensing. The company serves customers in the electronics, automotive and industrial markets with technologies including fuses, semiconductors, polymers, ceramics, relays and sensors. Littelfuse has over 8,000 employees in more than 35 locations throughout the Americas, Europe and Asia. For more information, please visit the Littelfuse website: Littelfuse.com.
