Littelfuse Honored by TTI with Supplier Excellence Award

May 24, 2018

Littelfuse Continues its Platinum Level Status, Recognized for Ninth Consecutive Year

CHICAGO--(BUSINESS WIRE)--May 24, 2018-- [Littelfuse, Inc.](http://Littelfuse.Inc) (NASDAQ: LFUS) was recognized by TTI Americas with the Supplier Excellence Award during last week's Electronic Distribution Show (EDS) in Las Vegas, Nevada. This is the ninth consecutive year that Littelfuse has been awarded this distinction.

"We are pleased to recognize Littelfuse with the TTI Americas Supplier Excellence Award for 2017," said Melanie Pizzey, TTI Vice President of Global Business Operations. "Over the last nine years, Littelfuse has continuously demonstrated a commitment to excellence in building strong collaboration, improving quality performance, and delivering outstanding service for our customers."

"We are honored to receive this recognition from TTI Americas, a highly respected leader in electronics distribution," said Deepak Nayar, Littelfuse Senior Vice President and General Manager, Electronics Business Unit. "This award celebrates the commitment of our associates in providing the highest level of quality and service for our customers. We have built a collaborative and customer-focused relationship with TTI Americas and we look forward to continuing that momentum moving forward."

The Supplier Excellence Program was created by TTI to recognize the company's most outstanding suppliers. The award recipients are chosen based on exceeding performance goals in quality, operational excellence, and management engagement.

About TTI

TTI, Inc., a Berkshire Hathaway company, is an authorized, specialty distributor of interconnect, passive and electromechanical (IP&E) components and the distributor of choice for industrial and consumer electronics manufacturers worldwide. Broader and deeper inventory, leading-edge products and custom supply chain solutions have established TTI as the leading specialist in electronic component distribution. Globally, the company maintains two million cubic feet of dedicated warehouse space containing over 850,000 component part numbers. Along with its subsidiaries, Mouser Electronics, Sager Electronics, and Symmetry Electronics, TTI employs over 5,400 employees and is represented in over 100 locations throughout North America, Europe and Asia. For more information about TTI, visit www.ttiinc.com.

About Littelfuse

Founded in 1927, Littelfuse is the global leader in circuit protection with advancing platforms in power control and sensor technologies. The company serves customers in the electronics, automotive and industrial markets with products that include fuses, semiconductors, polymers, ceramics, relays and sensors. Littelfuse has more than 11,000 employees in more than 50 locations worldwide. For more information, please visit Littelfuse.com.
