IV. Policies and Procedures.

Qualifications for Director Candidates. The Company seeks to achieve a balance and diversity of knowledge, experience and capability with respect to the directors serving on the Board. To this end, the Committee seeks candidates with the highest professional and personal ethics and values, an understanding of the Company’s business and industry, a high level of education, broad-based business acumen, and the ability to think strategically. Further, in the pool for each search the Board undertakes, the Committee considers a candidate’s ability to contribute to the diversity of background (such as race, gender, age and cultural background) and experience represented on the Board. Although the Committee uses these and other criteria to evaluate candidates, the Committee has no specified minimum criteria for candidates. The Committee generally recruits, evaluates, and recommends nominees for our Board based upon recommendations from our directors and management. From time to time, we retain a third-party search firm to help identify potential candidates. The Committee will also consider recommendations submitted by shareholders and will evaluate such prospective nominees using the same standards that are applicable for all Board candidates.

Attendance by Directors at Annual General Meeting of Shareholders. The Committee encourages all of the Company’s directors and nominees to attend the annual general meeting, but attendance is not required.

Communications with the Board. Our shareholders may communicate with our Board of Directors by sending an e-mail to Board@flex.com. Communications submitted to this e-mail address are regularly reviewed by the Company’s CEO, CFO, or General Counsel and are submitted to the Chair of the Board, the entire Board of Directors, or individual directors, as appropriate, depending on the facts and circumstances outlined in the communication. Certain items that are unrelated to the duties and responsibilities of the Board of Directors are generally redirected or excluded, as appropriate.

V. Authority to Retain Advisors

The Committee shall have the authority to obtain advice and assistance from legal or other advisors, including the retention of a search firm to be used to identify director candidates. The Committee shall have sole authority to retain and terminate any such advisors or search firm, including sole authority to approve the advisor’s or firm’s fees and other retention terms. The Company will provide for appropriate funding, as determined by the Committee, to compensate advisors employed by the Committee.
