10/3/2023

RICHMOND, Va., Oct. 3, 2023 /PRNewswire/ -- Markel Group Inc. (NYSE: MKL) announced today that it will hold its 2024 shareholders meeting at the University of Richmond Robins Center in Richmond, Virginia on Wednesday, May 22, 2024 at 2:00 p.m. ET. Beyond a short business session, company leaders will tell the story of Markel Group's financial performance, system, and culture before taking questions from the audience.

"It doesn't get much better than sharing an arena with shareholders, associates, and friends of Markel Group," said Chief Executive Officer Tom Gayner. "These people are everything to us, and the campus at the University of Richmond is a great place to connect and celebrate together."

The company has a full day of events planned around the meeting, including a series of panel discussions and keynotes in the morning with Markel Group leaders and speakers from a variety of fields. More details on these sessions and speakers will be available in the coming months on the event website at www.MKLReunion.com. As in years past, there will be a reception after the main event with a live band, refreshments, and food trucks.

"Somebody last year said that this event feels like a big family reunion, and I think that's right," said Mr. Gayner. "Whether it's a company or career, the great ones are built from deep and lasting relationships. That's why our main goal for this event is to give our shareholders, associates, and friends an opportunity to create and maintain connections that last."
