CAUTIONARY STATEMENT CONCERNING FORWARD-LOOKING STATEMENTS

Certain statements contained in this press release constitute “forward-looking statements,” and are made pursuant to the safe harbor provisions for forward-looking statements contained in Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. All statements contained in this press release that do not relate to matters of historical fact should be considered forward-looking statements, including without limitation, statements regarding the Company’s timing and ability to pay dividends, the Company’s plans to return capital to shareholders, and the Company’s business strategy and plans. These statements reflect management’s current beliefs, expectations, assumptions, estimates and projections. While management believes these expectations, assumptions, estimates and projections are reasonable, such forward-looking statements are neither promises nor guarantees and are subject to known and unknown risks and uncertainties, many of which are beyond management’s control. These statements involve risks and uncertainties that may cause the Company’s actual results, performance or achievements to differ materially from any future results, performance or achievements expressed or implied by these forward-looking statements. Important risk factors regarding the Company can be found under the heading “Risk Factors” in the Company’s Annual Report on Form 20-F for the year ended December 31, 2025, which are incorporated herein by reference, as such factors may be updated from time to time in the Company’s subsequent current reports and other filings with the SEC available electronically at www.sec.gov. Forward-looking statements speak only as of the date they are made. Readers are cautioned not to rely on forward-looking statements, and, except as required by law, the Company assumes no obligation and does not intend to update or revise these forward-looking statements after the date of this press release, whether as a result of new information, future events, or otherwise.
