### About Covalon

Covalon Technologies Ltd. is a patient-driven medical device company, built on the relentless pursuit to help the most vulnerable patients have a better chance at healing. Through a strong portfolio of patented technologies and solutions for advanced wound care, infection prevention, and medical device coatings, we offer innovative, gentler, and more compassionate options for patients to heal with less infections,

less pain, and better outcomes. Our solutions are designed for patients and made for care providers. Covalon leverages its patented medical technology platforms and expertise in two ways: (i) by developing products that are sold under Covalon's name; and (ii) by developing and commercializing medical products for other medical companies under development and license contracts. The Company is listed on the TSX Venture Exchange, having the symbol COV and trades on the OTCQX Market under the symbol CVALF.
