

**CHARTER OF THE  
TECHNOLOGY COMMITTEE  
OF THE BOARD OF DIRECTORS OF  
JETBLUE AIRWAYS CORPORATION  
(the “Company”)**

**Purpose**

The purpose of the Technology Committee of the Board of Directors of JetBlue Airways Corporation (the “Committee”) is to provide the Company’s leadership team with advice and oversight regarding the following areas:

- Review significant emerging and competing technologies relevant to the Company and adjacent industries;
- Review the Company’s strategic direction and planning for technology and innovation, including the financial, strategic and customer- and community-related risks and benefits of proposed significant technology-related projects and initiatives;
- Consideration of risks and opportunities of new technology and digital strategies in which the Company is investing (including JetBlue Technology Ventures);
- the Company’s digital and travel company evolution strategy, including through its JetBlue Travel Products subsidiary;
- Assisting the Safety Committee in implementing technology to mitigate safety risk;
- Monitoring overall trends in the deployment of technologies in the travel industry;
- Review technology and innovation policies; and
- Taking such other actions or responsibilities specifically referred or delegated by the Company’s Board of Directors (the “Board”) from time to time.

**Organization**

There shall be at least three members serving on the Committee, all of whom shall be members of the Board. Committee members shall be appointed and/or removed by the Board, with vacancies filled by the Board. The Board shall designate a Committee chairperson (the “Chair”). If the Board does not do so, the Committee members shall elect a Chair by vote of a majority of the full committee. The Committee may form and delegate authority to subcommittees as it deems necessary.

**Meetings**

The Chair shall preside at each Committee meeting and, in consultation with the other members of the Committee, set the frequency and length of, and the agenda of items to be addressed at each meeting. The Committee shall meet no less than three times a year (in person, by video conference or telephonically, as determined by the Committee).

**Responsibilities**

The Committee shall review and provide the leadership team of the Company with advice and oversight regarding the Company’s technology and digital strategy and related matters. The Committee will annually review and reassess the adequacy of this Charter and recommend the Board adopt any proposed changes.

**Authority**

The Committee shall have the authority to obtain advice and seek assistance, at the Company's expense, from internal or external legal, accounting or other advisors.

Nothing in this charter is intended to preclude or impair the protection provided in Section 141(e) of the Delaware General Corporation Law for good faith reliance by members of the Committee on reports or other information provided by others.
