KPN announces new head of NetCo division

25 Jul 2013 08:00 CET/CEST

KPN announces that Tom Poelhekken will take up the role of Senior EVP of NetCo division in The Netherlands as of October 1st. He will replace Eric Kuisch (48) who has decided to leave KPN to pursue an opportunity abroad. Tom Poelhekken (53) is currently CTO of BASE Company, KPN's mobile division in Belgium.

Joost Farwerck, MD KPN Netherlands: "I would like to thank Eric for his valuable contributions to KPN over many years. I am pleased to have Tom back in The Netherlands to lead the NetCo organization. I am looking forward to working with him to sustain our best-in-class performance in network development and operations, continue building our technical competences, and further simplify our organization."
