

Cresco Labs Announces Launch of Khalifa Kush Products at Cookies Dispensaries Throughout California

1/28/2022

Wiz Khalifa's bestselling cannabis brand expanded to California through an exclusive cultivation & product collaboration with the Company's FloraCal Farms and Continuum platform

CHICAGO--(BUSINESS WIRE)-- **Cresco Labs** (CSE:CL) (OTCQX:CRLBF) ("Cresco Labs" or "the Company"), a vertically integrated multistate operator and the number one U.S. wholesaler of branded cannabis products, today announced flower and pre-rolls from **Khalifa Kush** are available for sale at **Cookies** stores throughout California. Cresco Labs has an exclusive cultivation and product collaboration agreement with multi-platinum-selling, GRAMMY® and Golden Globe® Award-nominated recording artist Wiz Khalifa's cannabis brand. Through the partnership, the Company's **FloraCal Farms** and **Continuum** distribution platform will be the sole producer and distributor, respectively, of premium branded products featuring Khalifa Kush's signature "KK" strain in California. An expanded line is expected to arrive at additional retail partners throughout the year.

"Wiz Khalifa has been a longtime advocate for cannabis legalization, with a namesake OG strain beloved by many in

other states. Today, we're thrilled to bring his brand to cannabis lovers and his fans in California," said David Gacom, West Region Regional President at Cresco Labs. "We're focused on bringing a curated portfolio of leading

brands to California retailers, and Khalifa Kush is a natural addition with its focus on delivering top quality cannabis. We're excited to work with the talented Khalifa Kush team to grow its cannabis and commercialize its products."

"We're excited to launch Khalifa Kush in California with Cresco Labs; we've been working for years on this project." said Wiz Khalifa. "The KK grown at FloraCal is the best I've smoked, and I'm excited for the people of California to enjoy the original KK."

"FloraCal Farms and Continuum, with their best-in-class cultivation capabilities and significant scale and penetration, have proven to be the premier cultivator and distribution platform in the largest and most competitive market in the country, and we're honored to partner with their teams to expand Khalifa Kush's footprint in California," said DJ Saul, CEO of Khalifa Kush.
