2. Membership

The Committee shall consist of at least three members, comprised solely of directors deemed by the Board to be independent and who meet independence and experience requirements of the New York Stock Exchange (the "NYSE") and the ASX. Accordingly, each member shall, in the judgment of the Board, have the ability to read and understand the Company's basic financial statements. At least one member of the Committee shall, in the judgment of the Board, be an "audit committee financial expert" in accordance with the rules and regulations of the SEC, and at least one member (who may also serve as the audit committee financial expert) shall, in the judgment of the Board, have accounting or related financial management expertise in accordance with the NYSE listing standards. The Committee Chair may appoint a secretary of the Committee, who does not need to be a member of the Committee.

In discharging that obligation, members should be entitled to rely on the honesty and integrity of the Company's senior executives and its outside advisors and auditors, to the fullest extent permitted by law. In addition to any other responsibilities which may be assigned from time to time by the Board, the Committee is responsible for the following matters.

- (d) The Committee shall discuss with the independent auditor its responsibilities under generally accepted auditing standards, review and approve the planned scope and timing of the independent auditor's annual audit plan(s) and discuss significant findings from the audit and any problems or difficulties encountered, including any restrictions on the scope of the auditor's activities or on access to requested information, and any significant disagreements with management.
- (e) The Committee shall evaluate the independent auditor's qualifications, performance and independence, and shall present its conclusions with respect to the independent auditor to the full Board on at least an annual basis. As part of such evaluation, at least annually, the Committee shall:
